SBLBC TOURNAMENT TROPHY WINNERS

JOHN MITCHELL

John Mitchell, club president in 1951 and 1974, was a Postal Officer from Durham, England. He joined the club in 1947. John was a champion tournament bowler from the start. In 1953, as the defending champions, the club sent 6 bowlers to Pasadena to defend their title in the Dehner Trophy Tournament with 16 Southern California clubs. John Young, John Mitchell and Jean Wilson were the winning team. John Mitchell with a team picked from the Southwest Division defeated the British Bowlers to win the Fox International Trophy, the first time the US had won the trophy since 1930. John Mitchell was a member of the Los Angeles team which helped the United States to win the International Lawn Bowling Trophy for the first time in 14 years. The U.S. teams defeated the Great Britain team in matches at Boston, Chicago and Los Angeles. John Mitchell became Vice President of the Southern California lawn Bowling Association in 1960 and President in 1961. In 1963, John Mitchell and Jean Wilson won the California State Mixed Doubles championship in the 21st annual tournament of the Southwest Division of the American Lawn Bowling Association. In 1993, Tournament chairmen Judy and Bill Patrizzi recommended to the board many changes in tournament policy and tournament trophies: Paul Porier Triples to be deleted; John Mitchell Triples to be the Lynn Abbott Triples; Bill Green trophy retired and given to All James as the Club Championship Pairs; Jack Furman Memorial Mixed Pairs to replace the Spencer Adams Pairs. In addition, the committee recommended the club auction the 5 retired trophies; those whose names were engraved on them could bid for ownership to raise money for the club: Bill Green Mixed Pairs Trophy, John Mitchell Triples Trophy, Paul Porier Trophy to be deleted; Walker Singles Trophy, Glen Boyles Labor Day Memorial Mixed Pairs to replace the Spencer Adams Pairs.

PAUL PORIER

Paul Porier, a marine business manufacturing manager from Alpena, Michigan joined the club in 1958 and was club president in 1960. Paul was largely instrumental in getting a new green for the club. In 1959, he organized the "New Greens Committee" and co-authored a letter to the membership to raise the balance of funds needed to purchase green #2 from the city. Spencer Adams had offered to pay \$5,000 if the city would put up matching funds. The city didn't, so Porier and the New Greens Committee got the membership to not only match the funds, but they over-exceeded their expectations. Spencer Adams added more to make his contribution \$7,000.

In 1960, Paul with Jean Wilson and Larry Dunn won Spencer Adams Triples in a round-robin 5-week tournament. In 1964, the Spencer Adams triples tournament was won by Paul Porier, Gay Morgan and Dodie Shuck.

In 1963, Paul donated a trophy and sponsored the Paul Porier Triples. In 1993, the club discontinued the tournament and auctioned off the trophy to a club member. *(I haven't been able to find out who got it.. If anyone knows, let me know.)*

In 1993, the Paul Porier Trophy was one of five trophies recommended to be auctioned off in 1994. The list of 122 winners names on those trophies were supposed to have been recorded in calligraphy by Connie Steketee. The list has not been found. Winners gleaned from past records are sketchy because some years are missing. The ones found so far are listed above.

In 1966, Paul was one of the 91 club members to join MacKenzie when it opened in 1966, and became a charter member of MPLBC. He continued his membership in both clubs until his death in 1969.
